- How to get to Costa Ballena-

Costa Ballena is located in an ideal place to relax and rest and to visit the province. Here is a brief summary on How to get to Costa Ballena, which will help you plan your trip accordingly:

By road:

Costa Ballena is served by highways and good roads, therefore the most comfortable option would be to choose to come in your own or rented car. To get there, simply take the Jerez-Sanlúcar, A-480 road to Chipiona, take exit 5 to Chipiona, CA-6041.

At the roundabout, take the A-2077 road and enter La Ballena urbanization. Turn right, A-491, turn left. You will find a roundabout where is located our log cabin.

By bus:

It is also connected by bus, from Seville or Malaga you can get to Jerez and from there there are buses that connect directly with Costa Ballena.

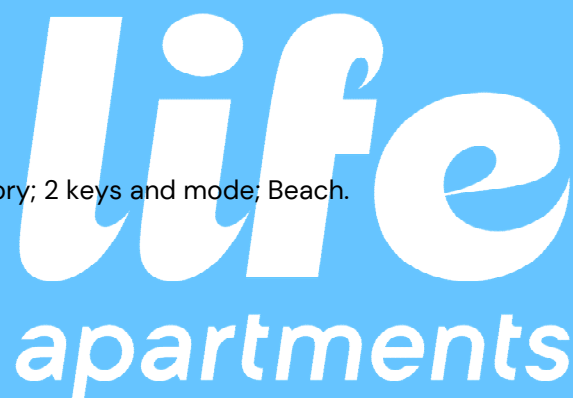

By plane:

You can enjoy the comfort of having an important airport in Jerez (XRY) just 40.4km away with regular connections to Madrid and Barcelona and another very close one in Seville-San Pablo (SVQ) 124km from Costa Ballena. It has national and international flights to the main Spanish and European capitals. In addition, the airports of Malaga and Gibraltar are close by and have numerous international flights.

By train:

Costa Ballena does not have a train station but it does have two of them very close within the province, such as Jerez de la Frontera and Cádiz. Once they arrive in one of these cities they should consider the option of taking a bus to go to Costa Ballena or renting a car.
